

District Judge James L. Robart

UNITED STATES DISTRICT COURT FOR THE
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

SEA SHEPHERD LEGAL,

Plaintiff,

v.

NATIONAL OCEANIC AND
ATMOSPHERIC ADMINISTRATION, *et*
al.,

Defendants.

Case No. C19-463 JLR

JOINT STATUS REPORT AND
~~[PROPOSED]~~ ORDER

Noted for Consideration:
February 6, 2020

Plaintiff SEA SHEPHERD LEGAL ("SSL") filed the above-captioned lawsuit under the Freedom of Information Act ("FOIA") against Defendants NATIONAL OCEANIC AND ATMOSPHERIC ADMINISTRATION ("NOAA") and NATIONAL MARINE FISHERIES SERVICES ("NMFS"), seeking disclosure of certain documents. On October 11, 2019, the Court granted the parties' stipulated motion to stay the dispositive briefing schedule. Dkt. No. 19. Defendants began processing additional documents in response to Plaintiff's FOIA requests at issue in this case, as well as

1 Plaintiff's supplemental FOIA request in a related case pending before the Court. *Sea*
2 *Shepherd Legal v. NOAA*, et al. 19-cv-1485-JLR.
3

4 Since the Court granted the parties' stipulated motion, Defendants have produced
5 all non-exempt responsive records between December 21, 2018 and March 18, 2019
6 ("Gap Documents"). Defendants are currently processing potentially responsive records
7 to SSL's FOIA request at issue in this case and the FOIA request at issue in *Sea Shepherd*
8 *Legal v. National Oceanic and Atmospheric Administration*, 19-cv-1485-JLR, for the
9 remaining period prior to October 9, 2019. Defendants intend to provide SSL with
10 another records release by the end of March 2020, and to continue with releases on a
11 rolling basis until complete. Defendants anticipate that all non-exempt responsive
12 records will be produced by the end of May 2020.
13
14

15
16 SSL has recently brought to Defendants' attention concerns about FOIA
17 exemptions applied to redactions for a portion of the Gap documents. The parties are
18 currently working together to attempt to resolve these concerns without the need for
19 motion practice. The parties believe that this cooperation will, at least, narrow the issues
20 if any need to be presented to the Court. If resolved, the parties believe that responding
21 to the supplemental FOIA request, with the inclusion of the gap documents, may lead to
22 the resolution of both this case and the related case without the need for additional
23 judicial intervention.
24
25

26 Accordingly, for good cause as described above, the parties respectfully request
27 that the Court allow them to file a status report on or before April 3, 2020. If the FOIA
28

1 exemption issues are not resolved, the parties will submit a briefing schedule to the Court
2 at that time.

4 Dated this 6th day of February, 2020.
